YES on Prop 1 means affordable housing for veterans, working families, seniors, people with disabilities and Californians experiencing homelessness from California's severe housing crisis.

Prop 1 doesn't raise taxes! Veterans, Habitat for Humanity, Congress of CA Seniors, Coalition to End Domestic Violence and more all agree: Yes on Prop 1.

BALLOT MEASURE SUMMARY INFORMATION

50-word ballot measure summary for the argument

☐ IN FAVOR OF

☒ AGAINST

Proposition # 1

Include text of summary argument here (50 word maximum):

Proposition 1 would authorize the State to borrow \$4 billion (by selling bonds) for housing programs. The housing shortage stemming from the influx of millions to California requires far bigger solutions. A bad solution proposed earlier this year (Senate Bill 827) would have destroyed existing neighborhoods. There are BETTER APPROACHES.

Proposition # 2

Include text of summary argument here (50 word maximum):

Taking up to \$5.6 BILLION away from the severely mentally ill to fund bonds to build them just housing without requiring treatment will force many more into homelessness. It is unnecessary, because last year the Legislature authorized county use of MHSA funds for housing without the need to borrow money.
